

Algerian companies involved in energy storage systems

Overview

Who are US companies interested in doing business in Algeria?

U.S. companies interested in doing business in Algeria will primarily interact with SHAEMS, a company owned by Sonatrach and Sonelgaz, created to serve as a one-stop shop for companies pursuing larger IPP renewable energy projects. Upcoming tenders will include Sonelgaz, Sonatrach, AEC, or SHAEMS as the main party to the agreement.

What is Algeria's solar power supply chain?

The Algerian solar power supply chain grew significantly in the last decade and now seeks to add IPP development, engineering and design capabilities, EPC services, inverters manufacturing, storage solution manufacturing, universal certification expertise, and operations and maintenance services.

How many MW does Algeria's new power plant generate?

Both plants, being developed by Algeria's state-owned Sonelgaz, will each generate 1,340 MW. Both projects are expected to start operations in 2025 and are expected to enhance Algeria's power generation infrastructure while supporting energy security and fuelling the country's economic growth.

Why are Algeria and Italy collaborating on a submarine electricity cable project?

In a move to strengthen energy ties with Europe, Algeria and Italy are collaborating on a submarine electricity cable project. This cable will facilitate the export of electricity generated from both natural gas and renewable energy sources in Algeria.

Which power plants are being built in Algeria?

Combined Cycle Power Plants: Biskra and Bellara Algeria's electricity generation capacity is set to grow with the construction of two major combined cycle power plants: Biskra and Bellara. Both plants, being

developed by Algeria's state-owned Sonelgaz, will each generate 1,340 MW.

What are Algeria's key energy projects in 2025?

Algeria is advancing several key energy projects in 2025, aimed at increasing natural gas production, expanding electricity generation and enhancing renewable energy capacity.
