

# American outdoor power supply assembly lithium battery

## Overview

---

Are lithium-ion batteries good for outdoor power equipment?

Lithium-ion batteries for outdoor power equipment require no maintenance and provide robust durability, extending the life of your valuable equipment. At American Battery Solutions, we offer batteries designed to meet your specific needs.

Do you offer low-voltage batteries for outdoor power equipment?

At American Battery Solutions, we offer low-voltage batteries for outdoor power equipment in 48v and 24v battery systems\*. These efficient and effective options come in a variety of configurations. What's more, our lithium-ion batteries for outdoor power equipment require no maintenance and provide robust durability, extending the life of your valuable equipment.

Can electric vehicle lithium-ion be used outdoors?

From commercial landscaping to autonomous delivery, lithium-ion batteries from electric vehicles are heading outdoors. American Battery Solutions offers low-voltage batteries for outdoor power equipment in 48v and 24v battery systems, with efficient and effective options in a variety of configurations.

Where are lithium batteries made?

Although none of the companies in this list make their lithium batteries from materials and/or components 100% sourced in the USA, they're all are either engineered and/or assembled herein America.

Who is American battery solutions?

American Battery Solutions Inc. develops next generation battery systems that help electrify underserved segments in the transportation, motive, commercial and industrial sectors. Battery Bonanza! 'It's A Revolution. It's Not Hype.' Michigan Positioned To Be Leader In EV Space UNCOMPROMISING PERFORMANCE. Powering next generation electrification.

Where are EnerDel lithium batteries made?

All lithium batteries are hand built in Sarasota, Florida. 6935 15th St E  
Sarasota, FL, 34243. EnerDel's lithium energy storage systems provide  
greater reliability, scalability and efficiency compared to other battery-based  
solutions for a wide variety of residential, commercial and industrial  
applications.
