

# **Australian photovoltaic wind power storage project**

## Overview

---

A world-leading project combining solar, wind and battery storage will be built near Hughenden in North Queensland, delivering renewable energy on demand.

## Australian photovoltaic wind power storage project

---

### Envision, FERA tie up for GW-scale wind, storage projects in ...

Chinese smart renewable energy solutions provider Envision Energy has joined forces with FERA Australia to develop up to 1 GW of wind and 1.5 GWh of battery storage ...
