

# **BESS s largest energy storage photovoltaic power station project**

## Overview

---

The Edwards & Sanborn solar-plus-storage project in California is now fully online, with 875MWdc of solar PV and 3,287MWh of battery energy storage system (BESS) capacity, the world's largest.

## BESS s largest energy storage photovoltaic power station project

---

### World's Largest Photovoltaic and Energy Storage Project ...

Recently, the world's largest photovoltaic (PV) and energy storage project was awarded to a consortium including several Chinese companies. The USD6 billion project in ...
