

Bosnia and Herzegovina integrated energy storage equipment manufacturer

Overview

The three government-owned electric power generation and distribution companies are: Elektroprivreda BiH (EPBiH), Elektroprivreda Republike Srpske (ERS), and Elektroprivreda Hrvatske Zajednice Herceg Bosna (EPHZHB).

Electric power generation is a key sector of economic activity in BiH. Electric power is primarily generated in coal-fired thermal and large-scale hydro power.

BiH's electrical grid has suffered from decades of neglected maintenance and a lack of investment. The European Bank for Reconstruction and Development.
