

# **Brazilian container power generation manufacturer**

## Overview

---

What are the top 10 energy storage companies in Brazil?

Due to various incentives and policies, Brazil's optical storage market has seen a rapid growth. The document presents a comprehensive list of the top 10 energy storage companies including Baterias Moura, BYD, Freedom Won, Blue Nova Energy, Intelbras, Huntkey, FIMER, SMA Solar, Sungrow, and SolarEdge.

Who is the largest battery supplier in Brazil?

BYD (002594.SZ) is Brazil's largest battery supplier and has two factories in Brazil, producing lithium-ion batteries and solar modules respectively. BYD will start producing new N-type TOPCON photovoltaic modules in Brazil in December 2022, with a power capacity of 575W.

Why is the optical storage market growing in Brazil?

Driven by various incentives and related active policies in recent years, Brazil's optical storage market has experienced strong demand, and its installed capacity has experienced rapid growth. Brazil added 8.2GW of distributed power generation capacity and 2.5GW of centralized power generation capacity.

How much power does Brazil have in 2022?

Brazil added 8.2GW of distributed power generation capacity and 2.5GW of centralized power generation capacity. As of the end of 2022, photovoltaic power generation has become the second largest source of power generation in Brazil, ranking second only to hydropower in the entire installed power field, surpassing wind energy.
