

# **Canadian photovoltaic power generation 120kw off-grid inverter manufacturer**

## Overview

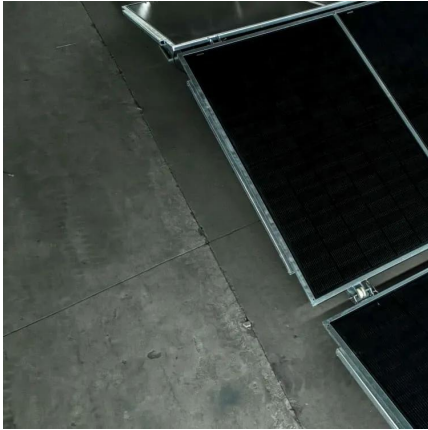

---

The CSI-120K-T4001A-E is a powerful three-phase string inverter, designed by Canadian Solar to meet the demands of commercial and industrial solar applications. Built for high efficiency and safety, it maximises energy harvest while ensuring safe, flexible, and reliable operation.

## Canadian photovoltaic power generation 120kw off-grid inverter ma

---

[CS\\_Datasheet\\_Three-Phase\\_40-60K\\_V2.0\\_E2\\_SA\\_A4](#)

Canadian Solar's grid-tied, transformer-less string inverters help accelerate the use of three-phase string architecture for commercial rooftop and small ground-mount applications.
