

# Central Asia Mobile Energy Storage Charging Station BESS

## Overview

---

The Smart BESS EV Charging Station combines energy storage capabilities with high-power charging for electric vehicles, offering a comprehensive solution for modern energy needs. It houses a liquid-cooled energy storage system with a capacity of 630kW/618kWh and 400kW/412kWh.

## Central Asia Mobile Energy Storage Charging Station BESS

---

### The first integrated BESS charging station launched in Malaysia

The Government of Malaysia has launched the first battery energy storage system (BESS) integrated electric vehicle (EV) charging station located along the North-South ...
