

Danish power inverter manufacturer direct sales

Overview

Is Danish a good company to buy solar power in Rajasthan?

Disclaimer: as earlier Geographical presence: Danish is Jaipur based company which has inherent geographical advantage since Rajasthan is the biggest hub of big solar park. The company can deliver the transformers quicker and cheaper.

Is Danish power better than Shilchar technologies?

In my view, Danish Power is a comparable peer to Shilchar Technologies, given its significant presence in the inverter duty transformer segment. However, Shilchar stands out due to its stronger focus on exports, which contributes to its higher margin profile.

Does Danish power own a vacant land?

And company owns a vacant land in here which will used for expansion plans Danish Power has received the all India First Licence for Outdoor/Indoor type liquid immersed Distribution Transformers up to and including 2500 KVA, 33KV- Part 3 Natural / Synthetic organic ester liquid immersed as per: IS 1180: Part 3: 2021.
