

# Does the base station have a battery

## Overview

---

Your SimpliSafe Base Station is fitted with NiMH rechargeable batteries, which are constantly recharging as long as the Base Station is plugged in. What type of batteries does the base station use?

Your SimpliSafe Base Station is fitted with NiMH rechargeable batteries, which are constantly recharging as long as the Base Station is plugged in. The base station model is SSBS3.

Do I need to replace my base station's batteries?

If you're not certain which system you have, see the Which Version of the SimpliSafe® System Do I Have article. You will likely never need to replace your Base Station's batteries as they are rechargeable and meant to last. The Base Station takes four (4) 1.2V, 1300mAh nickel-metal hydride (NiMH) rechargeable batteries.

Can you put alkaline batteries in a base station?

NEVER insert regular alkaline batteries into the Base Station as they may damage the device. Plug your Base Station back into power. Was this helpful?

Does your Keypad look like the one pictured to the left?

.

Does Ring Alarm base station have a backup battery?

no problem. Ring Alarm Base Station makes sure you never let your guard down with a 24-hour backup battery. After you add Alarm Sensors, sold separately, subscribe to a Ring Home Standard or Premium Plan, also sold separately, and Alarm Cellular Backup<sup>1</sup> will help keep your property protected even if the power and internet goes out at home.

What batteries do I need to replace my SimpliSafe base station?

To replace the batteries in your SimpliSafe base station, you need QTY (4) AA nickel-metal hydride (NiMH) rechargeable batteries. Do not use Alkaline or any other non-NiMH batteries. The batteries supplied from SimpliSafe are rated at 1000mAh capacity (very low).

Does a base station have an alarm keypad?

Arm and disarm your system, and more, with the Alarm Keypad, sold separately. Includes a built-in 104-decibel siren. Add Alarm Sensors, sold separately, to your Base Station to get mobile alerts if a window opens while you're away, customize your motion detection, and more from one simple dashboard.
