

Energy storage container booster warehouse

Overview

The inverter-boost integrated warehouse integrates energy storage converters, boost transformers, high-voltage ring network cabinets, low-voltage distribution boxes and other equipment in one container.

Energy storage container booster warehouse

Environmentally sustainable long-duration energy storage.

WHAT SETS THE ENERGY WAREHOUSE APART?
The EW has an energy storage capacity of up to 600 kWh and can be configured with variable power to provide storage durations of 4-12 ...
