

# **Fiji Energy Storage Mobile Power Wholesale**

## Overview

---

Why do businesses use solar energy in Fiji?

With on-site solar energy generation in Fiji, businesses can generate their own electricity and become less vulnerable to power outages, grid disruptions, and energy supply constraints. Many organisations in Fiji switch to solar energy as part of their commitment to sustainability and reducing their carbon footprint.

Who is Energy Fiji Limited?

Energy Fiji Limited is a company established in 1966 under the Electricity Act of 1966. It began operating from 1 August of that year and was previously known as the Fiji Electricity Authority.

Who makes the best solar inverter in Fiji?

Our dedication to using trusted brands guarantees that our customers receive the highest standard of solar products and services in Fiji. Fronius, Sungrow, and Selectronic are renowned inverter manufacturers known for their exceptional quality and performance.

Why should you choose island solar Fiji?

Island Solar Fiji ensures its commitment to quality and reliability by exclusively partnering with trusted and reputable solar brands. Our dedication to using trusted brands guarantees that our customers receive the highest standard of solar products and services in Fiji.
