

Full-screen solar photovoltaic panels

Overview

Based on this sore point in the PV industry, DAH Solar invent the Full-Screen PV Module. With the front A-side frameless design, the Full-Screen PV Module eliminates the dust shading on the bottom of the module and increases the power generation by 11.5%.

Full-screen solar photovoltaic panels

DAH 585W Full Screen Bi-Facial TopCon MonoCrytalline Solar Panel

Full-Screen Technology Increases Power Generation by 6-15% - No water and dust, which reduces the power loss and maintenance cost. Longer Life Span - high durability increases ...
