

# **How much does it cost to invest in Tajikistan s energy storage project**

## Overview

---

Project in Tajikistan (P089244). The project was approved on June 30, 2005, for a cost of \$30.0 million, including an International Development Association credit of \$17.9 million. How much money has been invested in Tajikistan?

According to government statistics, USD 576.2 million was the total portfolio investment in Tajikistan by the end of 2018. This includes the USD 500 million Eurobond issued by the National Bank of Tajikistan in September 2017. The Tajik government does not consider this sector a significant part of the national economy.

How will Tajikistan's energy sector improve long-term sustainability?

The original project, approved in 2020, aims to improve the long-term sustainability of Tajikistan's energy sector by increasing financial viability, improving reliability of electricity supply and contributing to better governance of the country's power utility structure.

How much money does the World Bank give to Tajikistan?

Since 1996, the World Bank has provided over \$2.44 billion in IDA grants, highly concessional credits, and trust funds for Tajikistan. The World Bank's Board of Executive Directors approved \$80 million as Additional Financing to the Power Utility Financial Recovery Project in Tajikistan.

What is the minimum investment amount in Tajikistan?

The minimum investment amount for starting a business in Tajikistan, according to practice, is 10 000 USD as the minimal amount of charter capital for a newly establishing company with foreign capital. Tajik Legislation does not provide this information explicitly. How can I raise finance?

.

Will the World Bank Finance Tajikistan's power utility financial recovery project?

WASHINGTON, June 30, 2022 – The World Bank’s Board of Executive Directors approved \$80 million as Additional Financing to the Power Utility Financial Recovery Project in Tajikistan.

Why invest in Tajikistan?

- Rapidly growing demand over the last years in the field of high quality accommodation facilities in Dushanbe and in the field of adventure tourism products in the other regions of Tajikistan (e.g. Pamir).
- Tourism is very high on the political agenda.
