

# **Huawei Norway Battery Energy Storage Project**

## Overview

---

Huawei's energy storage project is advancing significantly, with distinct milestones achieved in 2023, expanding its global influence in renewable energy solutions, increasing partnerships with local utilities, and enhancing technological innovations to improve efficiency and reliability.

## Huawei Norway Battery Energy Storage Project

---

### Copenhagen Energy selects Huawei tech for Danish battery duo

Danish renewable energy developer Copenhagen Energy has selected Chinese technology company Huawei to deliver the battery systems needed for a 132-MWh portfolio of ...
