

Huawei Portugal Gravity Energy Storage Project

Overview

How much money will Portugal spend on energy storage projects?

This included six projects from Spain's Iberdrola, which secured nearly €20 million (\$20.6 million) in public funding. From ESS News Portugal's Ministry of Energy has announced that it has allocated €100 million (\$104.2 million) to 43 energy storage projects which should be installed by the end of 2025.

How many energy storage projects were selected in Portugal's 2025 procurement?

A total of 43 projects were selected from 79 applications in Portugal's 2025 energy storage procurement. This included six projects from Spain's Iberdrola, which secured nearly €20 million (\$20.6 million) in public funding. From ESS News.

What does Portugal's energy storage tender mean for the energy transition?

Portugal's government has announced the outcome of an energy storage tender that will see the installation of 500 MW of energy storage capacity to support the country's energy transition. Energy storage battery. Photo by Anna Vasileva
