

# Huawei photovoltaic panel types

## Overview

---

What makes Huawei residential solar products different?

Huawei's residential solar products are designed to provide high efficiency, safety, and reliability while integrating smart technology for an optimized user experience. Here are the key aspects that make Huawei residential solar products stand out. 1. Unparalleled Safety Features.

Is Huawei a good choice for residential solar?

As the demand for renewable energy continues to rise, Huawei has established itself as a leader in residential solar solutions. Huawei's residential solar products are designed to provide high efficiency, safety, and reliability while integrating smart technology for an optimized user experience.

Is Huawei a good company to buy a solar inverter?

Huawei is a Chinese company that provides information and communication technology, smart devices, and solar products. The company offers inverters that are battery-ready, cost-effective, and efficient. It also offers Smart Energy Storage System SUN2000-450W-P optimisers and the FusionSolarApp.

When did Huawei start making solar inverters?

Huawei started manufacturing an efficient and lightweight residential solar inverter in 2018. In 2020, they started selling 2nd generation residential hybrid inverters, a compact optimiser and different types of 3-phase inverters. FusionSolar Huawei products focus on energy management systems and smart inverters.

Are Huawei solar panels safe?

One of the most critical aspects of Huawei's residential solar solutions is safety. The company has incorporated multiple safety measures to protect both homeowners and installers: Roof DC Voltage Rapid Shutdown – Ensures fire safety by quickly reducing DC voltage in the event of an emergency.

Does Huawei offer a warranty on solar panels?

5-year warranty: Huawei offers a warranty that allows you to replace the solar products within five years completely, plus another 5-year warranty that can be bought. The warranty means that you can replace parts or inverters for free, but you will cater to labour charges.
