

Huawei promotes liquid cooling energy storage

Overview

Huawei Digital Power Sub-Saharan Africa FusionSolar recently brought together industry partners and key stakeholders from the continent's Commercial & Industrial (C&I) energy sector to unveil the LUNA2000-215 Series, the world's first hybrid air- and liquid-cooled C&I energy storage system (ESS), which it highlighted sets a new benchmark for efficiency and performance.

Huawei promotes liquid cooling energy storage

Huawei Liquid Cooling Energy Storage System Manufacturer

Our experts provide proven liquid cooling solutions backed with over 60 years of experience in thermal management and numerous customized projects carried out in the energy storage
