

# **Industrial Large Solar Water Pump Inverter**

## Overview

---

Which solar water pump inverter is available online?

The 5.5kW three-phase AC 220V solar pump inverter is now available online. This solar pumping inverter integrates advanced MPPT tracking for precise voltage detection and optimal performance. The solar water pumping system supports AC and DC input, with a DC voltage range of 300V~380V and a power factor  $>0.99$ .

What is a solar pump inverter?

The solar pump inverter is an off-grid inverter that doesn't rely on the grid and operates independently of the load. The traditional off-grid inverter requires a battery, which costs about 30% of the system's cost. The system has a life span of only 3-5 years, which can affect your ROI.

What is usfull solar pump inverter?

USFULL solar pump inverter is full automatic, with MPPT algorithm built-in. USFULL inverter, passed strict efficiency testing, is an important part of solar pumping system. USFULL attaches great importance to customer demands, and tries earnestly to offer customized product solutions that make users happier.

What is a 4 kW solar pump inverter?

4 kW solar pump inverter with MPPT tracking technology for sale, AC output current 9A at 3-phase, DC voltage range (280V, 750V). Output frequency 0~400 (Hz) and power factor  $>0.99$ . The pump inverter supports AC and DC input, storage temperature (-20°C, 60°C) and ambient temperature (-10°C, 40°C).

What is a 15 hp water pump solar inverter?

15hp water pump solar inverter with MPPT control, AC 25A output at 3-phase, rated power 11kW, and DC voltage range (280V, 750V). 15 hp solar pump

inverter with RS485 communication and IP20 protection, supports AC and DC input, works at (-10°C, 40°C).

Who makes smart water pump inverter?

winverter is smart water pump inverter produced by PEModule. PEModule is an Egyptian leading company in Industrial Power Electronics Research and Product Development. it provides its research, design, and manufacturing services to hundreds of factories and universities in the Middle East and North Africa region.

## Industrial Large Solar Water Pump Inverter
