

Inverter with rated output power of 3500

Overview

What is a 3500 watt inverter generator?

A 3500 watt inverter generator can power an RV, boat, or home during an emergency. With so many on the market, choosing the right one can be challenging. To help you make a decision, here's a list of the top 5 best 3500 watt inverter generators. With this information, you can confidently purchase the perfect machine for your needs.

How many Watts Does a predator 3500 watt inverter generator run?

This PREDATOR® SUPER QUIET™ 3500 Max. Starting Watt, 3000 Max. Running Watt Inverter Generator uses a reliable PREDATOR 212cc engine to deliver clean, efficient power where it's needed most. This closed-frame inverter generator delivers a runtime of over 11 hours @ 25%.

What is the quietest 3500 watt generator?

Yamaha EF3000iSEB - Quietest 3500 watt inverter generator The Yamaha EF3000iSEB is the quietest 3500 watt generator on the list and is impressive in a variety of other areas too. For example, you will not find many other generators where customer reviews are so positive overall.

Is the Genmax gm3500iaed a good generator?

The dual fuel aspect of this 3500 watt inverter generator with remote start can be helpful for off-grid living and home backup power where getting and storing gasoline is not always convenient. At least if you don't mind the suboptimal reliability and run time of the GENMAX GM3500iAED.

How long does an inverter generator last?

This closed-frame inverter generator delivers a runtime of over 11 hours @ 25%. Designed for efficiency, this inverter generator is built with Electronic Speed Control Mode (ESC Mode) to optimize engine performance, maximize runtime, and lower fuel consumption.

Should I buy a Wen 56380i 3800 or a predator 3500?

However, since you likely mostly care about having a solid generator that can deal with this much power, the WEN 56380i 3800 is often the right choice. This is mainly because the WEN 56380i 3800 has a lower price, a longer residential warranty, and a better reliability reputation than the Predator 3500.
