

# **Luxembourg Environmentally Friendly Energy Storage Project**

## Overview

---

Why are environmental commitments increasing in Luxembourg?

Thankfully, environmental commitments have also increased in tandem. In Luxembourg, a broad range of associations are competing in terms of ingenuity to offer innovative and environmentally responsible projects. We have put together a selection of initiatives in this area which is taking shape across the Grand Duchy.

Why is Luxembourg a leader in sustainable finance?

Luxembourg is a leader in sustainable finance with financial instruments for clean energy projects, pioneering this type of bond. Luxembourg is a leader in sustainable finance with financial instruments for clean energy projects, pioneering this type of bond.

How can Luxembourg promote environmentally friendly urban planning?

Luxembourg already has initiatives that promote environmentally friendly urban planning where the citizen is at the centre of the debate. For example, the village of Elmen, has fostered the concept of quality of life, sustainability and a blend of urban activities.

How will Luxembourg contribute to energy independence?

Luxembourg is already participating in cross-border renewable energy projects and is committed to expanding its role in collaborative projects such as those related to offshore wind energy in the North Sea and hydrogen corridors, to contribute to the EU's goal of energy independence.

What projects are taking shape in Luxembourg?

In Luxembourg, a broad range of associations are competing in terms of ingenuity to offer innovative and environmentally responsible projects. We have put together a selection of initiatives in this area which is taking shape across the Grand Duchy. In 2019, an unusual-looking building arose from the

earth in Redange-sur-Attert.

How to reduce the ecological footprint of events in Luxembourg?

With this in mind and with the aim of reducing the ecological footprint of events, the Luxembourg government, in collaboration with the Oekozenner Pafendall a.s.b.l. and SuperDrecksKëscht, launched the Green Events project.
