1. Husqvarna Outdoor Products, Inc. With a plant located in Orangeburg, S.C., providing employment for 2,000 people, Husqvarna is one of the largest lawn and garden manufacturers, building equipment among other activities. This giant is currently focusing on.

Who makes outdoor power equipment?

The U.S. market for outdoor power equipment is populated with several global and country manufacturers, leading to a high frequency of product launches. For instance, in February 2023, Ariens, a brand of AriensCo, launched the RAZOR walk-behind mower.

What are the different types of outdoor power equipment?

There is a significant demand for different types of outdoor power equipment such as lawn mowers, chainsaws, and blowers among the U.S. population, due to which companies are increasingly focusing on launching advanced products in the market.

Why is outdoor power equipment so popular?

The current trends of remote and hybrid working models, as well as flexible working hours among businesses in the U.S., have ensured that people have

more free time on their hands to indulge in gardening and landscaping, thus strengthening the U.S. market demand for outdoor power equipment.

Where can I buy Ariens outdoor power equipment?

Ariens outdoor power equipment products can only be purchased through authorized dealers. Cub Cadet builds all its mowers, tractors, snowblowers, and utility vehicles in the United States. With factories in Kentucky, Tennessee, Ohio, and Mississippi, Cub Cadet helps local community workforces thrive.
