

# Outdoor power transformer kit

## Overview

---

What is a 60W transformer for outdoor lighting?

60W outdoor low-voltage transformer with timer and photocell sensor, 120V AC to 12VAC, weatherproof. Protect outdoor lighting from power surges and fire hazards, extending the life of your exterior light fixtures with a Hinkley Landscape Lighting Pro-Series 150w Transformer.

Which landscape lighting transformers are best?

Dusk-to-Dawn Sensor and Smart Compatible are popular for Landscape Lighting Transformers. These Landscape Lighting Transformers are the most popular among Lowe's entire selection. While these are popular, we recommend ensuring that the Landscape Lighting Transformers you consider have the right mix of features and value.

What is an outdoor transformer used for?

An outdoor transformer is used to convert high voltage current into low voltage for domestic and commercial applications. Our range of oil type and epoxy cast current transformers is suitable for high tension transmission lines, specifically those ranging from 3.3 KV to 33KV.

How much does a landscape lighting transformer cost?

A typical price for a Landscape Lighting Transformer is \$101 but can range from approximately \$33 to \$1,007. What are the most popular color/finish families of Landscape Lighting Transformers?

Black, Stainless steel and Silver are among the most popular colors of Landscape Lighting Transformers.

Does Hinkley landscape lighting have a transformer?

Protect outdoor lighting from power surges and program exterior lights with the Hinkley Landscape Lighting's Standard Transformer. Features (1) 12v tap

and an automatic timer in a damp-rated composite resin block. Plugged into a standard outlet, converting 120v line voltage to a safer, energy-efficient 12v low voltage for landscape lighting.

What is an outdoor 100 watt transformer?

Enhance the beauty of your landscaping and outdoor scenery with the Alpine Corporation Outdoor 100 Watt Transformer with Photo Cell and Timer. This compact outdoor transformer is ideal for connecting multiple light sources for your outdoor ponds and fountains to one powerful unit.
