

# **Portuguese manufacturer s photovoltaic energy storage power generation**

## Overview

---

Portugal's EDP has inked a deal for its largest PV project to date, a 3.8MWp solar-plus-storage duo it will develop for lead acid battery and storage system maker Exide Technologies.

## Portuguese manufacturer s photovoltaic energy storage power gen

---

### Techno-economic evaluation of the Portuguese PV and energy storage

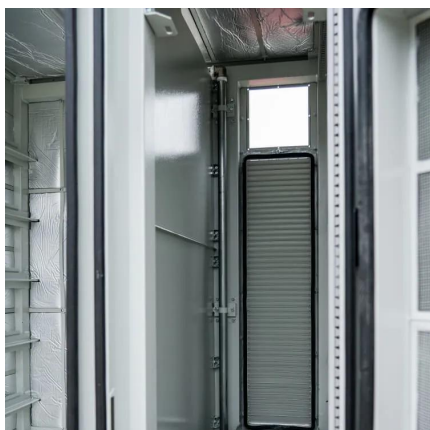

The configuration of a solar photovoltaic system integrating energy storage in Portugal is yet unclear in the technical, energetic and economic point of view. The energy ...
