

Price of mobile power storage vehicle in Malaysia

Overview

Are mobile EV charging services coming to Malaysia?

While EVs might be relatively new in Malaysia, the market is already vibrant enough that several EV-specific services have begun to pop up in our market. One such example is mobile EV charging with Power Up Tech (P.UP) being the latest company to offer such a service in our market.

How much does an EV cost in Malaysia?

The vans are equipped with either a 64 kWh or an 81 kWh battery, and which one gets dispatched depends on the battery of the EV that needs charging. Pricing is understandably a bit on the high side at RM1.70 per kWh, and there's also a RM40 service fee tacked on top of it.

Does PUP carry EV chargers around Penang Island?

P.UP utilise these Maxus eDeliver 3 electric vans to carry its mobile EV chargers around Penang Island. (Image source: P.UP Malaysia / Facebook.) Over in Penang, P.UP currently operates two mobile DC chargers.

What is EV fast charging modular & portable station?

Gentari and our partner, EV Connection Sdn Bhd (EVC), are excited about this collaboration to introduce the EV Fast Charging Modular and Portable Station. The pioneering initiative combines the innovative use of BESS and solar-powered energy, and we look forward to making greater strides together towards a more sustainable future.”.

What is a mobile charging vehicle?

The prototype Mobile Charging Vehicle on display uses a Nissan Vanette which has a 30kW DC fast charger at the rear. It has 16 units of repurposed BMW battery modules taken from existing electrified BMW and MINI vehicles at the end of their lifecycles. These batteries originally have a combined capacity of 30kWh.

Does PUP work in Malaysia?

P.UP has partnered with Nazamax for its operation in Malaysia. P.UP in action at its home market in Singapore. (Image source: P.UP Singapore / Facebook.) For now, P.UP services are only available within Penang Island. That being said, Nazamax is already looking to expand the service to Klang Valley and Johor Bahru in the next few months.
