

Qatar Energy Storage Power Production Company

Overview

QSP is a leading provider of energy-efficient solutions and has expertise in energy storage through its services related to UPS systems and battery replacements. Their focus on power protection and IT infrastructure positions them as key players in the energy storage market in Qatar. How much does Samsung E&A's Qatar RLP ethylene storage plant cost?

Samsung E&A, recognized as a comprehensive solutions provider within the global energy sector, has signed a \$215 million contract with Ras Laffan Petrochemicals for the development of the Qatar RLP Ethylene Storage Plant. The total contract value stands at \$418 million, with Samsung E&A's portion amounting to \$215 million.

How do I report a scam on Qatar energy?

If in doubt, verify communications by contacting speakup@qatarenergy.qa. For more details and to report suspicious activity, visit our [fraud and scam webpage](#) or [vendor scam webpage](#). Natural gas is an important part of the solution in the energy transition.

Who should be alert to fraudsters impersonating qatarenergy?

We urge the general public, our customers and stakeholders to be alert to fraudsters impersonating QatarEnergy, its subsidiaries, or employees to obtain money or private information.
