

# Recommendations for energy storage and new energy

## Overview

---

The whitepaper outlines policy recommendations to open markets for storage development, build financial support, grow a domestic storage supply chain, and progress long-duration storage technology. In addition, SEIA is releasing a new 50-state guide to energy storage policies at the state level.

## Recommendations for energy storage and new energy

---

### Energy Storage System Guide for Compliance with Safety ...

Under the Energy Storage Safety Strategic Plan, developed with the support of the Department of Energy's Office of Electricity Delivery and Energy Reliability Energy Storage Program by ...
