

# **Russian energy storage power supplier**

## Overview

---

Who is the best power supply company in Russia?

In the world of power supplies (PS), it is quite a well-known company on the Russian market. I know that MEAN WELL company is the absolute leader on the PS market. I became curious about comparing these companies.

Will Renera produce energy storage systems and lithium-ion cells?

The facility will produce energy storage systems and lithium-ion cells. Credit: TVEL Fuel Company. Russian energy storage company Renera has signed an agreement with the Kaliningrad regional government to build a manufacturing facility in Russia's Western exclave region to produce energy storage systems and lithium-ion cells.

What is the Energy Systems portfolio?

Energy systems portfolio is presented with autonomous sources such as UPS, batteries, diesel and gasoline generators and voltage stabilizers. We are committed to produce quality products that meet international standards requirements and are technically perfect and economical.
