

Solar photovoltaic panel spire

Overview

Spire is the leading supplier in the design and manufacture of specialized equipment for producing photovoltaic solar modules. Spire also manufactures, designs and installs high quality photovoltaic systems and components.

Solar photovoltaic panel spire

Solar powered healthcare: Spire invests £5.2m to achieve net ...

Spire Healthcare, a UK-based private healthcare provider, has invested £5.2m in a solar technology project that will bring renewable energy to all its 38 hospitals. The £5.2m ...
