

# **Solomon Islands Container Energy Storage Project**

## Overview

---

HONIARA, SOLOMON ISLANDS (12 September 2024)- The Asian Development Bank (ADB) and the Government of Solomon Islands are joining other partners to help Solomon Islands transition to renewable energy with a transformational project that will accelerate renewable energy generation and battery storage system installation, support power sector reforms, and promote private sector participation in the renewable energy generation.

## Solomon Islands Container Energy Storage Project

---

### Solomon Islands Flywheel Energy Storage Project Plant ...

The project involves converting five of Solomon Power's out-stations to renewable energy and battery storage generating 3.1GWh of energy per annum, reduce diesel imports by 0.9 million ...
