

# **Spain s new vanadium titanium energy storage battery base**

## Overview

---

This landmark project, commissioned by Spain's energy research institute CIUDEN under the Spanish Ministry for Ecological Transition and Demographic Challenge, aims to provide a long-duration energy storage solution capable of delivering maximum power for up to 8 hours.

## Spain s new vanadium titanium energy storage battery base

---

### Groundbreaking Ceremony for 1GW Vanadium Flow Battery Production Base

They expressed their support for the initiative. The new vanadium flow battery production base will play a crucial role in advancing Dunhuang's renewable energy capabilities, enhancing the ...
