

Tajikistan Communications 5G Micro Base Station Products

Overview

Where are Tajik 5G base stations now?

Tajik operator Tcell has activated its first 5G base stations in the city of Dushanbe. The operator received a licence for 3500MHz spectrum in June last year, and its commercial 5G network is now live.

Is Tajik launching 5G in Dushanbe?

Tcell, a Tajik operator, activated its first 5G base stations in the city of Dushanbe, after receiving a license for 3500MHz spectrum in June of last year. “The country’s leading innovative operator, Tcell, presents the most high-speed network of new generation – 5G in Dushanbe,” according to its website.

Is Tcell launching 5G services in Tajikistan?

Tcell is not the first operator to launch commercial 5G services in Tajikistan - in February this year, the local unit of MegaFon announced that customers with 5G-ready devices would be able to access 5G speeds in the centre of Dushanbe without paying a higher rate.
