

Tax rate for energy storage power generation

Overview

How will state taxes affect renewable generating companies?

This increase in renewable generating companies will have state tax implications. "States may impose several taxes on renewable generation companies, including income tax, franchise tax, capital stock tax, gross receipts tax, property taxes and sales and use taxes," Wade and Herzberg wrote.

How has the energy storage industry progressed in 2024 & 2025?

The energy storage industry has continued to progress over the course of 2024 and into 2025, buoyed in significant part by the federal income tax benefits in the form of tax credits enacted under the Inflation Reduction Act of 2022 (IRA).

Are IRA tax benefits a viable option for energy storage facilities?

While the vitality of the IRA tax benefits in their current form is currently subject to uncertainty given the results of the 2024 federal general election, the existing market practice for financing energy storage facilities since the IRA's passage continues to evolve in reaction to the act's new requirements and opportunities.

Are electricity sales taxable?

The two largest revenue streams from producing electricity through renewable sources are electricity sales and renewable energy certificates (REC). The sale of electricity is typically taxable except in states with exemptions. An exemption taxpayers should examine is whether electricity is at retail or for resale.

What is the threshold percentage for energy storage technology?

For energy storage technology that begins construction in 2026, the threshold percentage is 55%. The percentage increases by 5% per year until it reaches

75% for energy storage that begins construction after 2029.

Does Washington have a sales tax exemption for solar energy?

Washington also provides a sales tax exemption for solar energy system machinery and equipment under specific criteria. States generally treat electricity as tangible personal property for sales tax purposes and thus may provide for manufacturing exemptions.
