

# **Togo Battery Energy Storage Power Station**

## Overview

---

The Adétikopé Solar Power Station is a planned 390 MW (520,000 hp) plant in , with 200 MWh (720 GJ), attached battery energy storage. The power station is in the development stage, under concessional terms by the company Arise Integrated Industrial Platforms (Arise IIP), a subsidiary of the (AFC), in partnership with the Government of Togo. As of July 2021 a qualified EPC company was being sought to construct the power station, eithe.
