

# **Tuvalu Outdoor Power Rescue Company**

## Overview

---

How TEC is powering Tuvalu with renewable resources?

TEC has set a vision of “Powering Tuvalu with Renewable Resources” and this align well with the Tuvalu Government set target of 100% renewable energy by 2025. All the islands of Tuvalu are on 24/7 power supply and the access rate is 100%. The outer islands are powered by hybrid solar PV system with diesel generator on standby.

Does Tuvalu have solar power?

All the islands of Tuvalu are on 24/7 power supply and the access rate is 100%. The outer islands are powered by hybrid solar PV system with diesel generator on standby. For the main island of Funafuti there are some solar PV systems tied to the grid with diesel base load generators.

What information does the Tuvalu Electricity Corporation provide?

The Tuvalu Electricity Corporation shall inform the Renewable Power Plants owners/operators of the highest and lowest short-circuit current that can be expected at the point of connection to the grid as well as any other information about the network as may be necessary to define the Renewable Power Plant’s protection functions.

How can Tuvalu improve its energy security?

to enhance Tuvalu’s energy security by reducing its dependence on imported fuel for power generation and by improving the efficiency and sustainability of its electricity system.

Does Tuvalu have battery storage?

Battery storage is a potential solution (and this is studied in more detail in Task 2). Tuvalu is a small country in the South Pacific region, made up of 9 islands. The power system on Funafuti, one of the six true atolls, is operated by the Tuvalu Electricity Corporation (TEC).

How much power does the Tuvalu utility network need?

Most recent information on the Tuvalu network indicates a maximum demand of around 1300 kW, and the minimum demand is around 750 kW<sup>2</sup>. The data made available for the power system studies of the Tuvalu utility network on Funafuti is assumed based on the given SLD and other information provided by TEC.
