

# **Ukrainian grid-connected energy storage system company**

## Overview

---

DTEK Group, in partnership with American company Fluence, has officially connected Ukraine's largest battery-based energy storage system to the grid. With a total capacity of 200 MW and the ability to store 400 MWh of electricity, the project is a milestone in Ukraine's energy resilience.

## Ukrainian grid-connected energy storage system company

---

### Ukraine Launches Largest 200 MW Energy Storage System to ...

19 hours ago· The largest private energy company in Ukraine DTEK has commissioned 200 MW of energy storage facilities built in partnership with US-based Fluence, a global leader in ...
