

# **Which manufacturers produce lead-acid batteries for Taipei communication base stations**

## Overview

---

Should telecommunication operators invest in a telecom battery backup system?

Investing in a telecom battery backup system is always one of the priorities for telecommunication operators in the 5G era. Sunwoda 48V telecom batteries have a capacity covering 50Ah-150Ah, which can easily meet the power backup needs of macro and micro base stations.

Who are the major players in the battery industry?

Some of the major players in the industry include Delta Electronics, a leading provider of power management solutions and energy storage systems, and TDK Taiwan Corporation, a multinational electronics company that specializes in the production of rechargeable batteries for consumer and industrial applications.

What companies make lithium batteries?

Other notable companies include ProLogium Technology, which is a pioneer in the development of solid-state batteries, and Amperex Technology Limited (ATL), which is one of the world's largest manufacturers of lithium-ion batteries for electric vehicles.
