

Zimbabwe Energy Storage Power Station Project

Overview

Ngonyezi Pumped Hydroelectric Energy Storage Power Station, also Ngonyezi Power Station, is a planned 2,000 megawatt-hours (7,200 GJ) hydroelectric power station, across the , a tributary of the , in . The power station is under development by Ngonyezi Projects Limited (NPL), a company based in Pretoria, South Africa. NPL will also build a floating solar farm on the existing reservoir with capacity of 300 megawatts. On sunny day.

The Zimbabwe Electricity Transmission and Distribution Company (ZETDC) has set March 18, 2025, as the deadline for bids on its ambitious plan to construct three large-scale battery storage facilities with a combined capacity of 1,800MW.
